

Description

Internal doors with a partial board core, made to order and available in a wide range of finishes. Various grades of fire and acoustic ratings available.

Features

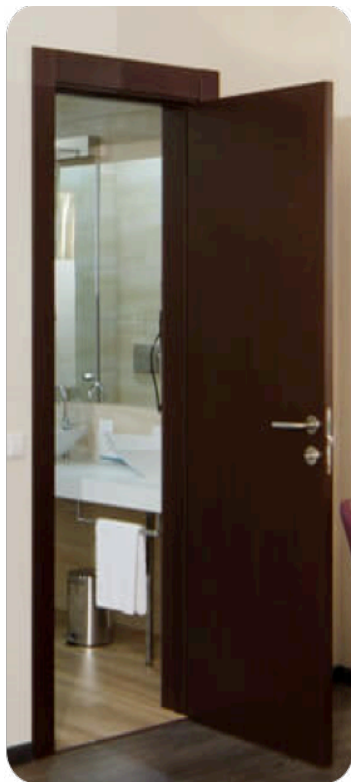

- Bespoke sizes
- Severe duty core
- Choice of facings and frames
- Vision panels available.
- Precision finished surface meets the highest requirements and is a suitable base for paint, delicate veneers, and laminates.

Typical applications

May be used as a general door core where heavier duty performances are required in most commercial, light industrial, educational, leisure and healthcare projects.

Finishes

Primed/lacquered as delivered.

Facings

- Veneer / Plywood / Laminate / PVC
- *Species:* Oak / Walnut / Ash / Maple / Steamed Beech / Cherry / Sapele / Koto / Eucalyptus / Others (please ask)

Fire resistance rating

Fire resistance rating: Natradoor+ has been tested to BS 476, Part 22 NFR / FD30 / FD60 / FD90 / FD120

Sound resistance rating

With additional sealing Natradoor+ can provide for sound attenuating performances between R_w 32dB and R_w 35dB.

Vision panels

Dimensions: As required

Glazing: Clear single glazing to suit fire resistance and sound insulation requirements

Material: Hardwood to match door leaf lipping

Design: Standard bolection/flush

Fixing method: Pinned
